## **DETAILED ACTION**

### ***Examiner's Comments***

1. This action is in response to applicant's amendment received 16 November 2004.  
Applicant has cancelled claim 1 and added new claims 2-3.
2. The examiner notes that applicant's amendment has remedied the objections to the claims and all rejections made under 35 U.S.C. 112, second paragraph.

### ***Reasons For Allowance***

3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to anticipate or obviate in combination the claimed invention; device having a nail cartridge with a nail outlet, a gun point located on a front of the nail gun with a nail inlet bored therein, the inlet having a slot located on a front portion thereof; a nail guiding surface on the periphery of the nail inlet, an accommodating groove communicating with the nail inlet and a slot sealing member having an elongated slot sealing portion inserted into the groove and having a sealing surface located flush with the nail guiding surface; the slot sealing portion being movable between open and closed positions wherein the open position the slot sealing portion is removed from the slot of the nail inlet and in the closed position the slot sealing portion is located in the slot of the nail inlet; a vertical connect portion connected to the slot sealing portion, and a pivotal portion with a sliding groove connected to the vertical connect portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
